public libraries and writers to work together to inspire creative reading. Creative Partnerships and The Reading Agency worked with regional Creative Partnerships areas, public library and school library services on four action research projects. The projects explored: *â€œ* The place of creative reading in young

Creative Partnerships and Libraries - Reading Agency

Ferndale has a large gay community and a booming city life; the FPL has begun to serve younger, more eccentric, open-minded demographic. In conclusion, if a community has a strong interest in a certain type of music or art, librarians would benefit from creative partnerships with organizations supporting those arts.

Creative Partnerships for Information Institutions | An

Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.
