SUSTAINABILITY AT NYU. works toward fostering environmental and social consciousness within our campus community. We actively integrate more sustainable practices into the daily operations of the university while educating our students, faculty and staff on the importance of reducing personal impact to mitigate our contribution to climate change.

Sustainability - nyu.edu

Conformity is the act of matching attitudes, beliefs, and behaviors to group norms. Norms are implicit, specific rules, shared by a group of individuals, that guide their interactions with others. People often choose to conform to society rather than to pursue personal desires because it is often easier to follow the path others have made already, rather than creating a new one.
