The history of dance is difficult to access because dance does not often leave behind clearly identifiable physical artifacts that last over millennia, such as stone tools, hunting implements or cave paintings. It is not possible to identify with exact precision when dance became part of human culture

A dust devil is a strong, well-formed, and relatively long-lived whirlwind, ranging from small (half a metre wide and a few metres tall) to large (more than 10 metres wide and more than 1000 metres tall). The primary vertical motion is upward. Dust devils are usually harmless, but can on rare occasions grow large enough to pose a threat to both people and property.
