PJ, An EMP is one of my greatest concerns too, so I ran off a copy of the article you wrote and placed it in the emergency manual kit. Since I will probably be at work if this occurs I have been making plans for the family to handle things until I get home.

7 actions to take immediately following an EMP strike

The survivors of a major EMP event are going to have to adjust to doing without a lot of technology that we take for granted right now. Most electronics will be fried beyond repair and it will be years " in some cases decades " before anyone is able to start making replacements.
