Quenya (pronounced ) is one of the fictional languages devised by J. R. R. Tolkien and used by the Elves in his legendarium.. Tolkien began devising the language around 1910 and restructured the grammar several times until Quenya reached its final state. The vocabulary remained relatively stable throughout the creation process.

A question is an utterance which typically functions as a request for information. Questions can thus be understood as a kind of illocutionary act in the field of pragmatics or as special kinds of propositions in frameworks of formal semantics such as alternative semantics or inquisitive semantics. The information requested is expected to be provided in the form of an answer.
